

Skedco SKED-EVAC™ Universal Litter Tie-down Strap™

SK-955 NSN: 6530-01-530-3860

The Choice of U.S. Army MEDEVAC

These quick release straps feature a 4,400 lb MBS ratchet, 5,000 lb MBS snap hooks, 4,000 lb MBS adjustment buckles, all attached to the main body that slips over the litter handles, which attaches to the aircraft/ambulance floor.

- **1inch webbing MBS 3,000 lb**
- **Enables removal of litter from aircraft in 15 seconds**
- **STRONG and EASY to use**

Instructions for use are on the wrap around straps adjacent to the ratchet ends.

EXTREME MEDICINE[®]

“Good Medicine in Bad Places[™]”

SKED-EVAC[™] Tie-Down Straps

FAILURE ON THE BATTLEFIELD IS NOT AN OPTION[™]
